UNITED STATES NAVY
AVIATION MIDSHIPMEN LISTING
BY FILE NUMBER

5 September 1994

Comments and Notes

Attached is a listing by file number of approximately 2940 AvMidns. This list has been compiled from:

Copies of orders many of you sent me over time.
Invaluable information sent me by Marge Bordelon of the Aviation Training Records Office, NAS Corpus Christi, Tx.
Superb and detailed information sent me by the Naval Aviation Archives at the Washington Navy Yard, Washington, D.C.
Bob Kaiser's superb job of editing for misspelled names, duplications of listings, and other errors.
There still are errors and duplications in the lists, and probably always will be. We are closer to a clean list now than ever before. **However, please advise me of errors you find.**

The first four (4) pages of this listing have no file numbers because the **sources we have do not provide file numbers.** Hence, these AvMidns are **listed alphabetically until we can get their file numbers.**

Of great interest is the fact that **we have no file numbers for 48 members of FMA**, 20 life and 28 regular members. If while reviewing this list you find no file number for your name, **please use a copy of the information return form on the back of this list, and send the data to Glenn L. Allen, 4906 Asquith Ct., Fairfax, Va. 22032.**

The meanings of some abbreviations follow:
